

American Legion News

The meeting of the Legion held last evening, although not very

strongly attended, however, was a live one in that members present joined in discussions of all matters brought up.

Charles E. Wheeler, the new chairman of the membership committee, outlined his plans to the members and urged them to line up for the big drive which his committee is promoting next week. He hopes that every legion member will work so that all ex-service

men in the city will be seen regarding a membership in the local post.

Commander P. R. Preston urged on the members the necessity for having a full attendance out to the special meeting May 19, when Colonel Milton J. Foreman, state commander of the legion, will be here on an inspection trip. At that time various organizations in the

city will be invited to be present to hear the plans of the legion.

SPECIAL MEETINGS HELD EVERY NIGHT

Special meetings are being held each evening this week at 7:45 at

the Home Missionary church, 121 Twentieth street. Various speakers are having charge of the meetings and there is special singing. Rev. and Mrs. John P. Hibel are in charge of the special service.
